Financial help toward uniform costs is based on your gross annual household income. You may be expected to contribute towards these costs. One uniform/kit set per student will be assessed for financial support (compulsory uniform only and not optional items). All non-compulsory uniform, College trips and kit will need to be purchased at your own expense.

If eligible, each learner is entitled to a maximum amount of £160 per week. If you receive Early Years funding this must be used before any contribution is made by the College, and applies to timetabled days only.

# HOW DO YOU APPLY?

Applications for Financial Support are submitted through the online link which will be sent out over the Summer, where assistance can be applied for and evidence of household income uploaded. Student Financial Services will then assess your application.

We aim to assess applications within 20 working days, but this may take longer during busy periods (July-October), so please be patient. Failure to submit a fully completed form or with insufficient evidence may delay your application.
